Final's Team Sheet Fee:

Semi Final **\$79 per team**, Grand Final **\$85 per team**. The upfront player registration fee does not cover finals costs. Each team that reaches the final will be required to pay the Team Sheet fee at the stadium door or arrange to pay to the MBA prior to the final. Team Managers should arrange collection of this fee prior to the game.

Stadium Entry Fee:

Stadium entry fees (excluding finals) are charged upfront by the McKinnon Basketball Association as part of the registration process (refer Association Fee mentioned above) and this will cover entrance for all players and spectators for all rounds except finals.

For finals, the stadium entrance fee will be **\$3 per player and per spectator over 18**.

Uniform (shorts & singlet): \$100 – refer uniform section (this is not part of the registration process)

Refunds:

Registering to play with the **Bentleigh Lakers** signifies an ongoing commitment to the club for the upcoming season. A player withdrawal after registration is very disruptive not only to individual teams but the entire age group and creates considerable work for the volunteers on our committee. Please refer to our Refunds Policy at <https://bentleighlakers.com.au/fees-refunds/>

5. New Player Session

A New Player Session will be held on **March 19th**. At this session, our Age Group Coordinators will assess players' skills to ensure they're placed in the right team. More information about the New Player Session will be sent to all new players by email in due course.

6. Uniforms

Existing Players – if ordering a new singlet, please use the Player's existing Club Approved Singlet Number – **DO NOT CHOOSE A NEW SINGLET NUMBER**

New Players – **MUST** have a Club Approved Singlet Number before ordering a uniform. This will be allocated by the Club after registration and advised by email. **Players cannot choose their own number.**

Uniforms can be ordered by clicking on the yellow uniform button on our home page or using this link http://www.impactsports.com.au/club/bentleigh_lakers/

Uniforms must be ordered by **March 21st** to ensure delivery before the start of the season. Uniforms ordered after this date will not arrive before the start of the season. The Club will try and organise a loan uniform but if one is not available, the player can wear plain navy/black t-shirt and shorts (no zippers, buckles, pockets) for the first 4 rounds without team penalty.

Sizing charts are also available in the online shop, or you can contact the Club at registerforlakers@gmail.com to try on samples.

Uniforms will be delivered to the Club, and you'll receive an email arranging collection. When ordering, there is also an option, at a cost, to have the uniform mailed directly to you.

If you wish to use a 2nd hand uniform/hand-me-down, please get Club approval at registerforlakers@gmail.com to ensure there'll be no number clash in your child's age group.

7. Teams and Selection Policy

After registrations close, the Age Group Coordinators will form teams based upon their knowledge of the players and in accordance with the Club's Selection Policy which aims to:

- Ensure the enjoyment of all players within the club – through equal participation,
- Place players in teams appropriate to their current or future skill level and development,
- Develop all players to the maximum of their ability, and
- Field competitive teams in all divisions in each age group.

Find the complete Selection Policy at <https://bentleighlakers.com.au/team-selection-policy/>

Each team will have a Coach as well as a Team Manager, a role that must be filled by a parent. You can indicate during the registration process if you'd like to take on these roles. We can't run the Club without these important roles.

The Age Group Coordinator will advise team details by **April 9th**. This will include details about the coach and the training day/time/venue.

As a community-based basketball club, we rely heavily on parents/guardians/siblings/relatives/friends to volunteer as a coach. Like many clubs, we struggle to find coaches, so please consider taking on this role. We offer support for coaches through training and on-line resources.

8. Training

Training is on a weeknight and runs for up to 1 hour. Our training venues are Valkstone, McKinnon and Hughesdale Primary Schools.

We have over 100 teams to schedule and therefore we can't be precise about training days/times until teams are formed and coaches appointed. During the registration process you can advise what days/times don't suit and we do our best to accommodate but there are NO guarantees.

The Age Group Coordinator will advise teams and training day/time/venue by **April 9th**. Training will commence the week starting Monday **April 15th**.

Training is to be held in a covid-safe manner. Please don't send your child to train if they're unwell.

Players should bring their own drink bottle and wear appropriate sport attire and shoes.

Our training venues are under licence, and we must respect the schools' rules. In general:

- The stadium is only to be used for the allotted training time.
- We have access to the basketball court, toilets and designated entry/exit area. No other area is to be used including other rooms within the stadium and school grounds/playgrounds.
- No school equipment or furniture is to be used or moved.
- No players/children are to be on school premises unless an adult is present. Parents are to remain with their children until the coach arrives.

10. Parent Scoring Duty

All parents are expected to take turns at scoring during the season. The Team Manager will set up a roster.

There are 2 scoring mechanisms:

- The clock – which displays information on the court scoreboard. Usually the 'away' team does this (away team is the second named team on the fixture)
- The iPad – which records statistics which will be uploaded to PlayHQ by the referees after the game. Usually the 'home' team does this.

There will be instructions on the scoring bench.

Brief instructions about how to score using the iPad can be found at <https://support.playhq.com/hc/en-au/articles/900003258386-Basketball-Electronic-scoring-overview>

Key points to remember when scoring:

- Get there early so you have time to check the players and singlet numbers and familiarise yourself with the scoring instructions of the score table.
- Compare scores on the clock vs iPad regularly during the game to ensure they're the same. If there is a discrepancy, this must be resolved at that time. The referee can be called over to resolve a dispute. If the discrepancy isn't resolved, then the iPad takes precedence.
- Sometimes statistics are lost when being uploaded after the match, so it's always a good idea to take a photo of the iPad screen.
- Fill in players must have all their details entered correctly.
- Players must not play under another player's name.

11. Code of Conduct

By registering to play with the Bentleigh Lakers, players agree to abide with our Player Code of Conduct which can be found at <https://bentleighlakers.com.au/player-code-of-conduct/>. Please ensure your child is aware of the Club's expectations.

To ensure a safe and enjoyable playing environment for all participants, the MBA has Codes of Conduct and a Zero Tolerance Policy to address inappropriate and unsportsmanlike behaviour from players, coaches, team managers, parents and spectators. Find it at <https://www.mckinnonbasketball.org/policies>

The Club has a number of other policies including our Child Safe Policy which can be found at <https://bentleighlakers.com.au/category/policies-procedures/>

If you have any questions, please check out our website www.bentleighlakers.com.au or contact the Club at registerforlakers@gmail.com.
